What's your favourite healthy food?

This is a photo of my favourite healthy food – a rainbow salad. I usually eat meat or fish for dinner, but not today! I like this salad because it's easy to make. You use lots of vegetables with different colours! This one has green cucumber, red tomatoes, red onions, yellow peppers and green herbs. I like to drink sparkling water with it.

Jaylan, Australia

That looks very nice, Jaylan. I want to make it and eat it! My favourite healthy food is Moqueca. It's a fish soup that we eat here in the north of Brazil. You can buy it in other countries, but it's not the same. It's fish, red peppers, onions or other vegetables in a tomato sauce. Mmm, I can smell it now!

Giselle, Brazil

My favourite healthy food is a fruit salad. I make it with strawberries, melon and pears. I sometimes use oranges too, but when I don't have any, I add a little bit of lemonade or sparkling water. It's great on a hot day when I feel thirsty.

- Anybody can run in the competition.
- The runners eat a lot of food.
- It isn't cold at that time of year.
- All runners who finish the race get a T-shirt.

The 5,000 km race

Some people enjoy running, but these people love it. This 5,000 km race happens every year from June to August. 5,000 km is the same distance as from the East to the West of the USA, plus eleven marathons (a marathon is 42.2 km). But runners in this race run around a single city block (925 metres) in Queens, New York, over and over again!

The race lasts 52 days, and people run from 6 a.m. until midnight, every day. Most people in the competition run about 100 km a day. They only have six hours to wash and sleep each day. They need to visit the doctor before they enter, to check they are strong and healthy.

People give the runners vegetarian food to eat while they run. They need to eat all the time because they use a lot of energy when they do the race.

It's very hot in New York at this time of year and sometimes there is a lot of rain, too. Runners often carry umbrellas while they run!

Not everyone finishes the race, but runners receive a T-shirt if they do. It's not much, but people don't do it for the prize. They do it because it makes them feel good.

We need to plan the company activity day on 23 March. What does everyone like do? I know that Yana hates go to parties and Marcus doesn't like do sport. I enjoy play games outside, but the weather isn't always good at that time of year.

Maybe we could do something inside? James loves cook, so how about a cooking lesson for the team? I think cook is all right, and Aisha likes it, too. Can you ask the rest of the team? I want us to do something that everyone can enjoy.

Thanks,
