

Progress

The first ever online, fully automated and institutionally administered progress test. Progress accurately measures student progress in English, highlighting strengths and weaknesses to inform teaching.

About Progress

An online test package that can be used with adult and young adult courses.

www.pearsonelt.com/progress

Convenient

Rigorous tests can be conveniently taken at the institution or at home.

Time Saving

Ready-made and automatically scored test, including speaking and writing sections, saves you time.

Rapid Results

Adaptive test delivers faster yet more precise results while offering a unique test experience.

Objective & Reliable

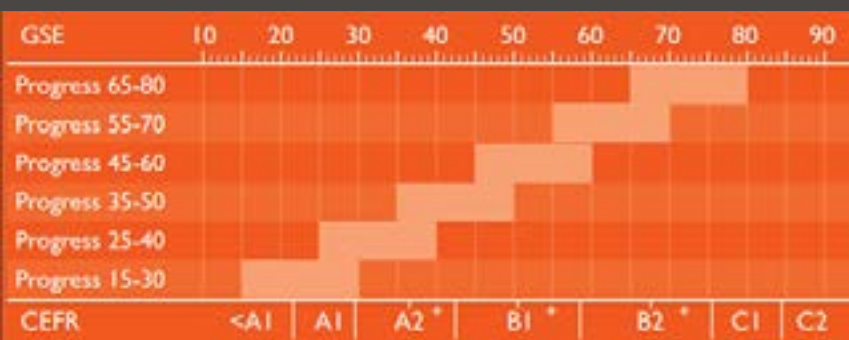

A standardised package of 3 tests that allows uniform testing and comparison of results to improve learning outcomes.

Motivating

Scored on Global Scale of English and empirically aligned to the CEFR to accurately measure small amounts of progress within a CEFR band.

Informs Learning

Score reports by skill highlight strengths and weaknesses to help students and teachers focus learning.
