Dear Mom,

Bonjour! Greetings from Montreal!

Montreal is an exciting city. There are a lot of interesting shops, parks and people here. I love it!

People here speak English and French. Signs are all in French. It's confusing.

Montreal is cold. Yesterday, it rained. I went to a bakery and ate some bread. It was very good!

I ate some "poutine", too. "Poutine" is made of French fries, gravy and cheese. It was pretty good.

This morning, I visited the Biodome. The Biodome had many different plants and animals. The penguins were very cute.

Montreal has many different neighborhoods. Yesterday, I visited The Plateau. The Plateau has some colorful shops and restaurants. The restaurants are so cheap!

Today, it is sunny. I want to go to Mount Royal Park. Mount Royal Park is a big park in the middle of the city. In the middle of the park, there is a mountain. The view from the top is wonderful!

Take care!

Love,

Caroline
